PETITION FOR SUPPLEMENTAL ORDER

NOW COMES Norfolk Southern Railway Company (Norfolk Southern) by and through its attorney, Neil F. Flynn, and for its Petition For Supplemental Order states as follows:

1. The Commission entered its Order in this docket on August 30, 2006, and in that Order, directed that the safety improvements be completed within twelve (12) months of the date of that Order (i.e., by August 30, 2007).
2. Norfolk Southern has not completed all of the safety improvements ordered by the Commission in this docket because no electrical power supply is available at the location of the subject St. Louis Avenue grade crossing. Until that electrical power source is installed and operational, Norfolk Southern is unable to complete all of the improvements ordered of it by the Commission in this docket.
3. Norfolk Southern acknowledges that this Petition For Supplemental Order is not timely filed. However, Norfolk Southern submits that it has exercised good faith and has made all reasonable efforts to complete the ordered work.
4. For the reasons above set forth, Norfolk Southern was not able to complete the required

improvements by August 30, 2007 in accordance with the Commission's Order.

WHEREFORE, Norfolk Southern respectfully requests the assistance and cooperation of all interested parties to facilitate the completion of the improvements previously ordered by the Commission in this docket; and respectfully requests that Norfolk Southern be granted a one hundred eighty (180) day extension of time to complete those improvements.

Respectfully Submitted,

NORFOLK SOUTHERN RAILWAY
COMPANY,
